We believe that a strong community benefits everyone. That's why, since 1927, C&F Bank has been highly committed to the communities we serve with our time, our talent and our treasure. We're proud to report that our employees donated over 600 hours of their time to various initiatives in these communities in 2017!

Our community commitment is perhaps the best example of our ***Focused on You*** mission and we look forward to growing this support in the future.

C&F Gives Back is the name of our initiative to promote volunteerism and other forms of support to the communities where we live and serve.
