Toano, Va.- C&F Financial Corporation believes that a strong community benefits everyone. Since 1927, we have been highly committed to the communities we serve with our time, our talent and our treasure. Our community commitment is perhaps the best example of our *Focused on You* mission.

One charitable organization that C&F partners with is the Peninsula Regional Animal Shelter (PRAS). PRAS is a collaborative venture supported by four separate Hampton Roads communities: Newport News, Hampton, Poquoson, and York County. This shelter contains a full service veterinary clinic for the shelter animals and has capacity for approximately 100 dogs and 180 cats, as well as pocket pets and other small companion animals. The shelter's primary responsibilities include holding stray animals until they can be reunited with their owners, rehoming owner-surrendered pets, and facilitating pet adoptions. The shelter also houses animal control offices for the participating jurisdictions. C&F employees and customers donated approximately 100 pounds of pet food and a variety of toys, treats and supplies to aid in animal care. C&F employees also volunteered 75 hours helping at the shelter.

Krista Smith, Program Coordinator with PRAS said, "The Peninsula Regional Animal Shelter is honored to be in a partnership with C&F Bank and are beyond blessed that they chose us to be a part of the "C&F Gives Back" initiative. The donations collected by C&F employees will provide much needed mental stimulation and nourishment to all of our animals in need. We appreciate the immense support given to our employees and our animals by this generous organization."
